EXPERTISE

He specializes in legal due diligence, preparation of legal opinions, as well as the legal design and tax optimization of transaction structures. Advice and support do not end after the closing phase or notification of the merger. Andriy also offers his clients competent and comprehensive post-merger consulting.

Having worked at the Antimonopoly Office of Ukraine, where Andriy contributed to the development of a number of ground-breaking laws and regulations, he possesses invaluable experience in consulting and supporting investors on diverse matters of antitrust and competition law. Andriy has managed numerous cross-border M&A transactions, focusing on mergers in particular.

In addition, Andriy represents clients before the Ukrainian competition authorities, including cases involving the abuse of a dominant position, concerted practices, and penalty proceedings.

Another practice area of Andriy Navrotskiy is advising and representing our customers' interests in court proceedings and arbitration courts, with support in the subsequent enforcement of claims in enforcement proceedings. In addition, he can boast distinct expertise in the recognition and enforcement of rulings of foreign courts in Ukraine and recognition of foreign arbitral awards in Ukraine.

Furthermore, Andriy Navrotskiy possesses years of hands-on experience in consulting and representing private investors in extra-judicial and in-court disputes with Ukrainian banks.
