EXPERTISE

[mobile_hide]

Olga Ianushevych advises our clients on corporate law, draws up the constituent documents of subsidiaries of foreign companies, employment contracts with directors, taking into account individual requests and needs of each client.

Olga has extensive experience in providing legal advice on labour legislation, including the types and duration of leave, working hours and forms of work organization, grounds and procedures for employees' dismissal in Ukraine, drawing up employment contracts, job descriptions, internal regulations, etc.

Olga also advises clients on various issues of tax legislation, including agreements between Ukraine and other countries on the avoidance of double taxation.

Besides, Olga specializes in issues related to scheduled and unscheduled inspections of business entities by government agencies and prosecution of enterprises and their officials for violations identified during inspections.

Olga helps our clients – foreign IT companies to structure their business in Ukraine properly, taking into account the requirements of Ukrainian tax legislation, as well as effectively protects the intellectual property rights of our clients.
