

## **LLC in Ukraine: law and practice**

Igor Dykunsyy, LL.M., a partner with DLF attorneys-at-law, prepared a comprehensive article for a well-recognized German publisher «Legal Regulation of Limited Liability Companies» (Das Handbuch des internationalen GmbH-Rechts, 3. Auflage), which was published in October 2015.

Igor Dykunsyy's article deals with peculiarities of limited liability company activities in Ukraine and provides for detailed analysis of practical aspects, which should be taken into consideration upon choosing this type of company. In addition, one could also find information on the taxation regime applicable to a limited liability company and special features of liquidation of such type of companies in Ukraine.
