EXPERTISE

[mobile_hide]

Andriy Kit specialises in all aspects of corporate and tax law. He is an expert in drafting and executing contracts.

He provides legal advice on issues including the following aspects of international trade law: drawing up, reviewing and negotiating agreements for the sale of products, supply and distribution agreements, dealer contracts, etc.

Andriy Kit has great experience in consulting for corporate reorganisations, such as mergers, spin-offs, incorporations and changes of legal form. He supports our clients in arranging and holding general meetings and management or executive board meetings.

In tax law, Andriy mostly consults and represents our clients' interests in tax disputes. His primary specialisation is legal assessments for the lawfulness of decisions by tax authorities, as well as evaluating prospects in every individual case, providing support and advice during tax audits, filing appeals against tax assessments, as well as in-court representation in tax disputes.

Andriy is also an expert in VAT refund matters, providing guidance in disputes with the Ukrainian tax authorities.

He consults on all labour law issues, in particular, hiring and dismissing staff, drafting labour contracts, obtaining working permits for foreign employees, staff cuts and other matters of human resources management and social law.

Andriy's legal practice also covers advising on customs law, supporting during customs clearance and in disputes with the Ukrainian tax authorities.
