

## Discounts for DLF Clients in Premier Palace Kyiv and other hotels in Ukraine

At DLF attorneys-at-law, we are constantly looking for new ways to improve our services. We are also trying to offer you more than you expect. With that in mind, DLF attorneys-at-law cooperates with various companies in Ukraine, whose services may be of interest to foreign entrepreneurs when entering the Ukrainian market, opening an office in Ukraine, setting up production or supply processes, etc.

The pandemic has brought about major changes not only to our everyday life, but also to the traditional business processes. In particular, the usual frequent trips have been replaced by online meetings. However, not every business issue can be solved remotely, and many of our clients keep visiting Ukraine, even under quarantine conditions.

We want your stay in Ukraine to be as comfortable and safe as possible. Therefore, we are pleased to announce that our strategic partners have recently been joined by the Premier Hotels and Resorts chain, which includes hotels in Kyiv, Odesa, Lviv, etc., and is known for its high standards.

Premier Hotels and Resorts chain includes a range of 5 to 3 stars hotels that are all different in their own way, but equally hospitable and cozy. All hotels have one thing in common, professional and quality service. You can always count on security and privacy, the highest level of service and the closest concern of your wishes, in any city and regardless of the hotel category. Flawless service is almost always invisible, but you will feel it through the warm emotions of the place you visit. The highest level of service is embodied in such small but extremely important details as a warm smile, exquisite cuisine, technological innovations and amenities, as well as sincere care.

As part of the partnership program between DLF attorneys-at-law and Premier Hotels and Resorts, our clients can take advantage of special offers by staying in a number of the chain's hotels in Kyiv (including Premier Palace), Odesa, and Lviv. Discounts apply to hotels of different categories.
