

Disclosure of Ukrainian companies' ownership structure

On 11 July 2021, the Regulation on the ownership structure form and content came into force upon approval by Order of the Ministry of Finance of Ukraine dated 19 March 2021 No. 163. The Order obliges all Ukrainian companies to provide information (ownership structure) to the state registrar for establishing the ultimate beneficial owner.

Thus, from 11 July 2021 to 11 July 2022, it is necessary to update the information on the ultimate beneficial owners in the state register.

The following documents must be submitted to the state registrar:

- an application for state registration of a legal entity;
- an ownership structure, under the Ownership structure order;

Note that the administrative fee will not be charged if the information on the ultimate beneficial owners is provided to the state registrar within one year, i.e., until 11 July 2022. After this date, the administrative fee of UAH 680 (approx. USD 25) must be paid.

It is worth reminding that under the legislation of Ukraine, the fine from UAH 17,000 to UAH 51,000 (approx. USD 625 to USD 1,875) is imposed in case of a failure to submit or untimely submission to the state registrar of the information on legal entity's final beneficial owners or their absence, or a failure to submit documents for confirmation of the legal entity's final beneficial owner information. The fine is imposed on the legal entity's head or on the person authorized to act on behalf of the legal entity.
